

SEFCO-2025

Shaping the Energy Future: Challenges & Opportunities

Information on conference sponsorship

We are delighted to invite your esteemed organization to partner with us as a sponsor for the Seventh Edition of the Sustainable Energy and Fuels Conference (SEFCO-2025), scheduled to be held from 23rd to 25th April 2025 at the CSIR-Indian Institute of Petroleum, Dehradun.

SEFCO-2025 marks a significant milestone as the conference transitions to an international platform for the first time. With the theme, "Catalyzing Sustainable Future with Affordable Energy and Chemicals," the event aims to delve into innovative approaches and cutting-edge materials addressing the critical intersection of energy and sustainability.

This year's conference will bring together eminent researchers, professors, and industry leaders from across the globe to share their expertise, inspire young researchers, and foster discussions on sustainable energy solutions. The event also provides an excellent platform for exploring collaborative opportunities to shape a resilient energy future.

By sponsoring SEFCO-2025, your organization will gain prominent visibility among professionals and researchers both in industry and academia while actively contributing to advancing sustainable solutions in the energy and chemical sectors. The conference sponsorship offers a variety of benefits, including branding opportunities, exhibition space, and avenues to network with decision-makers in academia and industry.

We look forward to your support in making SEFCO-2025 a grand success. For further details on sponsorship packages and benefits, please have a look at the attached annexures (A-1, A-2, and A-3). Alternatively, feel free to reach us at the contact details mentioned below for more information.

Thank you for considering this opportunity to collaborate with us.
